Reseller Instant Discount - How To Guide

This document shows the step-by-step instructions for resellers to receive an instant discount from the DurkinComputing.com web store.

Step 1 of 4: Fill your shopping cart by clicking on the "Buy" button  next to the product choice. Step 1 of 4 "Confirm Shopping Cart" page will appear.

You can purchase multiple user packs on our store. User packs are found in the lower left hand corner. These multi-packs are additionally discounted.

(See (A) on Step 1 of 4 for multi-user location)

When your shopping cart is ready click the **"Continue to Step 2"** button.

Step 2 of 4: Enter billing and shipping information.

Resellers use this window to Logon

To logon to your account please select the **"Logon to your profile"** link at the top of the page.

(See (B) on Step 2 of 4 for the Logon link location)

Clicking on the logon link will allow you to enter your email address and password. Use the same as when you registered as a reseller. **NOTE - If you have cookies enabled, the web store will remember your last logon.**

Step 3 of 4: On Step 3 of 4 "Review and Enter Payment" window you will now see your discount has been calculated for your account.

To complete the transaction, enter your payment information and click the **"Place Order and Checkout"** button.
