

 **Task List Plus** for ACT! by Sage

Task List Plus delivers more power and functionality.

- Improve activity awareness with **color-coding**.
- **Sum, count, or total** values in any column.
- Toolbar **extends access** to common functions.
- Find and **organize tasks and activities** visually
- In-line **editing** and **Tag Mode** On/Off switches.

Type	Date	Time	Details
- Type: Call (4)			
<input type="checkbox"/> Call	8/18/2005	3:56 PM	These are detailed notes regarding a conversation with Sir David Lean. Please do not disperse these notes for they are very valuable and should not be released to the press for any reason at any time.
<input type="checkbox"/> Call	8/18/2005	4:01 PM	
<input type="checkbox"/> Call	7/26/2005	10:11 PM	
<input type="checkbox"/> Call	8/18/2005	3:56 PM	
- Type: Meeting (4)
